Dear Hiring Manager,

Thank you for the opportunity to apply for the Software Developer (Backend) role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am an adaptable recent graduate from BRAC University, B.Sc in Computer Science. Throughout my academic career, I was consistent about my learnings and application of those learnings. While working on academic and extracurricular projects, I developed proven technical, teamwork and multitasking skills, which I hope to leverage into the Software Developer (Backend) role at your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at +8801753560951 or via email at junaed.durjoy@gmail.com to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.
